

Arrowing time for archers

ABOUT 80 archers descended on Raunds to take part in an open competition.

The event was staged by Archers of Raunds on Sunday to help raise money for the club.

It attracted archers from Kettering, Wellingborough and Milton Keynes, as well as members of the Raunds club which has grown in strength over the last 12 months.

Club secretary Helen Fox said: "It was a good day and everything went really well. We've now got in excess of 40 members."

Raunds member Sarah Wall won the junior ladies recurve gold and her fellow club member Bradley Denny won the junior gents recurve bronze.

The club meets every Friday and runs courses for beginners.
